

-----  
Title: A Warrant for Deadbob

Author: Sheriff Chalice  
-----

Hear Ye, Hear Ye,

Sheriff Chalice of  
Moonglow is looking for a  
brave Bounty Hunter to  
bring the runaway  
Deadbob into custody  
beginning 7pm (Eastern)  
Thursday, June 21st  
2007 at the Moonglow  
Bank. 1,000,000 gold  
pieces are offered as a  
reward for the successful  
capture and citation of  
Deadbob.

DeadBob is wanted for  
Bank Loitering, Typos, and  
General Tomfoolery. He is  
also charged with selling  
mail-order saddles for  
Phillip's Wooden Steeds  
to new players and  
absconding with Moonglow's  
funds for the Widows &  
Orphans of Alien  
Abductees.

Deadbob has arms and is  
to be considered  
ridiculous. Please take  
caution upon apprehending  
this elusive (and possibly  
hidden) character by  
telling him he is under  
arrest and having him put  
his arms up. This  
document will serve as  
warrant and is the only  
thing that constitutes  
capture. Once you have  
Deadbob in custody bring  
him back to Sheriff  
Chalice for your reward.

#### RULES

1. This certificate shall  
serve as the legal

summons to apprehend  
Deadbob and grants the  
bearer the power of  
being a full pledged  
Moonglow Bounty Hunter.

2. In order to make  
Deadbob appear to serve  
this summons you must  
say “Deadbob Put your  
hands up!” This is the  
only way you will be able  
to serve him this  
warrant. He will not be  
easy to spot!

3. The first person to  
drop this warrant on  
Deadbob and take him to  
Sheriff Chalice at the  
Moonglow Bank wins.  
Sheriff Chalice will then  
give you your reward of  
1,000,000 gold pieces.  
Other various gold checks  
will be handed to patrons  
throughout the event.

4. Whatever Deadbob  
gives up during the  
arrest is considered  
evidence. You must  
present any evidence of  
tomfoolery to Sheriff  
Chalice upon relinquishing  
him into Moonglow  
Custody.

5. You as the Bounty  
Hunter have been granted  
all powers afforded to  
the Sheriff of Moonglow  
in conducting the  
investigation and arrest  
of Deadbob (NEWS). This  
means that bribing or  
accepting bribes is  
therefore unlawful and  
prohibited.
